FROM THE PRESIDENT

Hello and happy new year for 2011. My name is Ken Gibb and I am replacing Dennis as President of ISA RC43 for the period 2011-14. It is a great honour to take this role on and I would like to start by thanking Dennis for his tremendous contribution as President and his willingness to carry on as Treasurer. I am an economist by training but do have a broad multidisciplinary interest in housing policy, social housing as well as markets and more conventional economic analysis.

I met many RC43 participants at our Glasgow conference in 2009 and at the World Congress in Gothenburg last year. At this early juncture I have two points to raise about RC43. We discussed possible future international housing

research conferences in Gothenburg either run directly by a host institution or in partnership with sister societies such as ENHR. It would be great to aim for a conference or meeting in 2012 and I would welcome any suggestions or ideas for taking this forward – these could then be discussed by the RC43 Board and then we might move forward. Dennis and I did speak about possibly seeking to host something on the American continent but I would welcome any proposals noting that the last three events have all been in Europe.

Second, I would be very grateful for any ideas about other activities that the RC43 might become involved in. Claudia does an excellent job with the Notes newsletter – might it be expanded or modified? Are there other regular activities such as information sharing we might pursue on behalf of members if they did not present too large a burden on board members?

Please send your thoughts and views to me directly at Kenneth.Gibb@glasgow.ac.uk

FROM THE EDITOR
